THE MOST CURATORIAL BIENNIAL OF THE UNIVERSE

JULY 7 - AUGUST 11, 2007

apexart is pleased to present **The Most Curatorial Biennial of the Universe** in response to two major social issues of our time: biennialessness and poverty. Through an open call to curators and artists, nearly 600 people are now "with biennial." All works are available by donation and though invaluable, start at only $10 each to provide the Robin Hood Foundation of NYC with additional funds to do more good for the disadvantaged of the city. Absolutely no funds go to apexart. Works can be seen and bid on at www.apexart.org. We want to thank everyone involved for an exciting and extremely varied exhibition.

"Think of giving not as a duty but as a privilege." John D. Rockefeller Jr.
